The BNT-25X and BNT-58X TIGER TIERS™

- A New Generation

BNT-25X Rebar Tying Tool

This is our smallest automatic rebar tying tool. It is light-weight and has a compact, easy to hold glove-friendly grip. It runs on a 18V Lithium-Ion quick-charge battery that drives a brushless twisting motor. Like our standard BNT-40X and BNT-58X this smaller version is designed for tying wire mesh or up to a No. 3 and No. 4 rebars together and is designed to conserve wire. It comes with two batteries, a charger and four spools of wire ready to use.

BNT-58X Rebar Tying Tool

This is our largest automatic rebar tying tool. The Tiger Tier™ is lightweight and has a compact, easy to hold glove-friendly grip. It runs on a 18V Lithium-Ion quick-charge battery that drives a brushless twisting motor. On two No.8 rebars this tool will make over 4,000 ties on a single charge. It comes with two batteries, a charger and four spools of wire ready to use. This tools will save you time and money.

USA-Made Wire and Poly-Coated Wire available for all of these tools!
