

In order to activate your cooling head band:

1. Generously soak the head band in cool water
 2. Once saturated wring the excess water out
- Enjoy the cooling benefits for up to 5 hours depending on current humidity levels.

Bullhead Safety® GLO-HB3

Style	Description
GLO-HB3	Blue head band. Constructed with ultra-absorbent PVA material that quickly dissipates hot moisture from your body.

Applications:

- Wear your head band while in the heat; whether doing construction, working out, or any other indoor/outdoor heat building activity to help you stay comfortably cool and safe.

Qualities:

- Reusable and safe, packaging is designed for long term use
- Antimicrobial treated to prevent mold and unwanted smells
- Quickly dissipates hot moisture from your body to keep you feeling cool, refreshed and safe
 - Reduces the causes of heat stress
- Machine washable using mild detergent - do not bleach
