

BEAT THE HEAT WITH OUR INNOVATIVE COOLING SOLUTIONS

ALLEGRO[®]
INDUSTRIES

WALTER

VORTEX COOLING VEST

- ▶ Delivers constant and adjustable cooling
- ▶ Designed for workers in confined spaces as well as foundries, steel mills, asbestos abatement and paint baking operations
- ▶ With no moving parts, the vortex tube forces a simple heat exchange to separate compressed air into hot and cold airstreams
- ▶ The PVC vest delivers continuous cooled air through its perforated, inner lining
- ▶ This vest offers full range of motion and can be worn under protective clothing

Description	Order No.
Vest w/ Plastic Cooler, Std	8300
Vest only, Std	8300-01
Vest only, XL, 200 lbs. +	8300-01L
Plastic Vortex Cooler w/ Snap Tite Plug	8300-95
Metal Vortex Cooler w/ Snap Tite Plug, 25 CFM	9991-25

LOW PROFILE VORTEX COOLING VEST

- ▶ Designed to afford cooling to personnel in circumstances where air conditioning is not feasible
- ▶ Connects to any existing clean compressed air source
- ▶ Engineered jets keep the wearer continuously cooled with refrigerated air
- ▶ Airflow enhances the body's natural evaporative cooling while keeping grit, dust, and fibers out
- ▶ Available with a vortex cooler for additional cooling effect

Order No. 8450

STANDARD VEST FOR COOLING INSERTS

- ▶ Ideally worn under HazMat suits and other protective clothing
- ▶ Features four pockets for inserts, zippered front, and adjustable hook and loop over shoulder/side straps to help achieve a snug fit
- ▶ 2 layers of 100% cotton provide added comfort
- ▶ Inserts not included

Size	Weight	Chest	Order No.
Large	100-175 lbs.	34" to 44"	8413-03
X Large	175-250 lbs.	46" to 48"	8413-04
XX Large	250 lbs. +	50" to 52"	8413-05

FEATHER ICE INSERT

- ▶ These lightweight, non-toxic inserts freeze like ice but stay cold up to three times as long
- ▶ Reusable packs deliver a constant temperature of below 50° F
- ▶ The pliable powder conforms to your body when frozen

Order No. 8413-11 (4/pkg.)

PHASE CHANGE INSERT

- ▶ Safe, non-toxic PCM (Phase Change Material) freezes in a freezer or ice water (perfect for use on the job site)
- ▶ Delivers a constant temperature of 65° F for several hours depending on application, environmental and physiological variables
- ▶ Each insert measures 6" x 14" and weighs just 16 oz.

Order No. 8414-11 (4/pkg.)
