

# DALO<sup>®</sup> Textile Marker

## STEEL Ball Tip Paint Marker

### FEATURES

- Paint marker that writes on almost any fabric type.
- Effective for permanent identification of textiles.
- Resists all modern textile processes- SCOURING, DYEING, LAUNDRY/DRY CLEANING, BLEACHING, FINISHING, BOIL OFF, AND WOOL FULLING.
- Also available in smooth-gliding nylon tip that is lint-repellent, gives better writing performance.
- Makes bright, sharp, rapid drying marks on all fabrics-COTTON, WOOL, SILK, and ALL SYNTHETICS.
- Perfect for use in textile labs for marking swatches.
- Ergonomically correct marker enables you to mark at all angles, even upside down.
- Markers can be used to permanently identify inventory, work in progress or finished products while resisting most textile processes.
- Rigid, non-collapsible marker tube is rugged, unbreakable heavy duty aluminum body with large paint capacity.
- Paint flow is controlled by the pressure bulb at the end of the barrel.
- Available in 2 tips sizes – Medium, and Medium Plastic..

### MATERIALS COMPATIBILITY

- Safe on most textiles.
- Surface tests should be run to determine compatibility prior to use.

### HEALTH AND SAFETY

- Flammable liquid and vapor. Keep away from heat, sparks and flame. Use only with adequate ventilation. Avoid contact with skin and eyes.
- Refer to SDS (Safety Data Sheet) for complete information on health and safety. Visit our website to obtain an SDS.
