MAXKNEE

- ▶ Perfect for kneeling on rough abrasive surfaces
- ▶ Excellent for any application that demands maximum performance
- ▶ Features a hard poly cap that resists abrasion and works with an extra-long pad for optimal comfort
- ▶ Includes two fully adjustable comfortable elastic straps that connect with hook and loop closures

Order No. 7102

BLACK FLEXKNEE

- ▶ Designed for maximum flexibility while maintaining stability
- ▶ The favored pad of government and municipal workers
- ▶ Designed with lightweight pads and a large abrasion-resistant rubber cap
- ▶ Excellent for non-slip, hard surface work environments
- ▶ Hook and loop closures offer comfort and added stability

Order No. 7103-02

DELUXE SOFTKNEE

- ▶ Perfect for jobs where protecting the work surface is a primary concern
- ▶ Features an extra wide foam pad making this knee pad the most comfortable in the industry
- ▶ Designed with a tough water-resistant cover and no kneecap
- ▶ 1½" elastic straps are adjustable and are equipped with hook and loop closures

Order No. 6998

QUICKMAX

- ▶ Same great features as our MaxKnee with the added benefit of fast and easy attachment
- ▶ Features a quick release buckle that eliminates the need for readjusting the straps
- ▶ The buckle is completely adjustable and is designed for durability and comfort
- ▶ The elastic straps offer comfort and flexibility while maintaining stability

Order No. 7102-Q

QUICKFLEX

- ▶ Same great features as our Flexknee with the added benefit of fast and easy attachment
- ▶ Features a quick release buckle that eliminates the need for readjusting the straps
- ▶ The buckle is completely adjustable and is designed for durability and comfort
- ▶ The elastic straps offer comfort and flexibility while maintaining stability

Order No. 7103-Q

FLEXKNEE

- ▶ Perfect for long-lasting wear
- ▶ Designed with lightweight pads and a large abrasion-resistant rubber cap
- ▶ The wraparound rubber cap design allows maximum flexibility while maintaining a secure fit
- ▶ Excellent for non-slip, hard surface work environments
- ▶ Hook and loop closures offer comfort and added stability

Order No. 7103

DELUXE QUICKFLEX

- ▶ Designed to provide the most all-around protection
- ▶ The large ¾" thick pad features a hinge design that provides protection and ease of movement above and below the cap
- ▶ The wraparound design offers greater side protection
- ▶ The large poly cap is molded to conform to the shape of the knee for maximum protection
- ▶ The double strap system uses 1½" straps with deluxe quick release buckles that allow for easy adjustment providing a snug fit while ensuring greater stability

Order No. 6990

VALUE PLUS KNEE PAD

- ▶ The most cost-effective knee pad in dirty, dusty, and oily environments
- ▶ Poly cap is stitched on for greater strength and won't allow particles underneath causing discomfort
- ▶ Tough polyester fabric exterior protects a high-density lightweight foam core
- ▶ Longer pad design provides extra comfort
- ▶ Two fully adjustable straps with hook and loop closures provide a custom fit

Order No. 6999

CONTOUR KNEE PAD

- ▶ Perfect for masonry work
- ▶ This soft ½" foam rubber pad is contoured to the shape of the knee
- ▶ Designed to allow easy side-to-side movement on hard surfaces
- ▶ Can be used in wet environments
- ▶ The contoured shape allows the 1½" hook and loop straps to be worn more loosely for greater comfort

Order No. 7100
