Hazmat

Meltblown Sorbents Hazmat Sorbent Pads

 **Made in the USA**

- Packaged in a plain bag with a generic label
- Great for aggressive chemical leaks and spills, such as battery acid, and other toxic chemicals
- Medium-Weight Hazmat Sorbent pads are an economical way to clean up hazardous chemicals and flammable or unidentifiable liquids
- Perfect for absorbing most chemicals, oil, water, fuel, grease, transmission fluid, coolants, solvents and many other liquids
- Yellow in color to denote the hazardous liquids they can absorb and helps make sure the used pads are disposed of properly
- Perforated down the middle of the length of the pad
- Hazmat Sorbent Pads are made in the USA

Caution: Dispose of all sorbent materials according to local, state and federal regulations.
