

65 Gallon OverPack

- 65-gallon model complies with UN Packaging Group 1 (X-Rating) and is certified for use as DOT Salvage Drums, 49 CFR 173.3 (c).
- New Overpack Plus 65 is the highest performing poly overpacks on the market!
- High-density polyethylene construction offers excellent chemical resistance, including acids, caustics and corrosives.
- Convenient, “no-tools required” closures are perfect for clean-up and spill response activities.
- Nestable design and low tare weight allow convenient storage and reduced transportation costs.

All Overpacks are Independently Certified for:
Land – United Nations (UN) Transport of Dangerous Goods
Sea – International Maritime Organization (IMO); International Maritime Dangerous Goods Code (IMDG) Annex I - Section 8
Air – International Civil Aviation Organization (ICAO); Technical Instructions for the Safe Transport of Dangerous Goods by Air, Part 7, Chapter 4
Air – International Air Transport Association (IATA); Dangerous Goods Regulations, Section 10.3

Made in the U.S.A.
