

# Rigid Floor Flange Plates

## Malleable Iron

### Features

- Topaz floor flanges provide a solid means of support for 1/2" through 2" threaded pipes
- Ideal for hanging security cameras, smoke detectors, fire alarms, signals/strobes and other low-voltage and electronic signaling devices from ceiling
- These floor flanges may also be used in a variety of other applications as required
- Four holes for mounting to a flat surface

### Applications

- Use to connect threaded Rigid or IMC conduits to flat surfaces
- The threaded hub allows pipes to be screwed in and securely fastened

### Standard Material

- Malleable iron

### Standard Finish

- Zinc plated
