

Steel Boxes

4" Square Welded Deep Boxes

Features

- Welded
- 2-1/8" deep
- 31.5 cu. in.
- Available in multiple KO sizes, with or without concentric KOs and raised ground emboss with installed 10/32 ground screw where noted

Applications

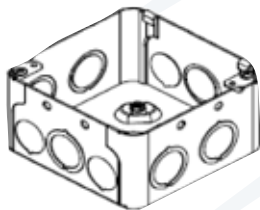

- 4" square welded junction boxes can be installed in walls or ceilings for lighting fixtures, switches, receptacles or other outlet devices
- Square boxes are used to bring power to a number of electrical devices where multiple conductor runs are split in two or more directions
- 2-1/8" deep boxes offer extra cubic capacity.

Standard Material

- Galvanized steel
